## Remembrance

Thank you for all of your support in buying poppies etc this week. The children had a late playtime this morning then we lined up outside in the sunshine and Lucy and Oliver read a poem written by Lucy. We then had 2 minutes silence at 11am before the church bells rang to break the silence. This was especially poignant as one of the new bells was dedicated to the six men of the parish who gave their lives in the First World War. The children were very respectful and sensible, especially following assemblies earlier in the week to help them understand what it was about.

## Dogs in School

Please can I politely remind you that dogs are not allowed in school. Some children are allergic and some have a fear of dogs. As a dog owner myself I know my dog wouldn't like a busy playground with lots of young children crowding round. With a rule like this there can be no distinction made between size, breed or age so no matter how small and cute a puppy is it is still a dog and not allowed through the school gates. Sorry!

## Shirts for painting

Following on from an item raised by parents' forum, please could we ask for you to have a look for any old shirts you could donate that can be worn back to front over children's uniforms when they are doing messy art work. We seem to be short of aprons for the older age groups. We promise to not let the children laugh at Dad's fashion sense when the floral designs come in!

## Fabulous Footballers

Manor football team played in the Aston Villa football tournament at Rawlett this week. They were a credit to the school in the way they never gave up and played every game with a smile on their faces and determination to do their best. Well done, we are proud of you all!
