Huge Harvest Hamper

Our Harvest celebrations were a great success, thanks to the combination of planning and work from the staff, fabulous performances by the children and the generous support from families and friends. The display of food for donation to the Tamworth Foodbank was spectacular and hopefully the children felt a sense of pride in the difference we can make when we all contribute together. Thank you to Reverend Iddon for his support in the celebration and in allowing us to use the church. We may need to ask him to build an extension if we keep packing it out as we did! Also a huge thank you to Tiana and Matthew's mummy who transported all of the food from the church to the foodbank for us. No need to go to the gym that morning!

Baby Boom

We seem to be having our own mini baby boom among the staff at Manor! The 'observant' amongst you will already have spotted that Mrs Whiffin is expecting. Her second daughter is due to be born sometime in the New Year so we would like to congratulate the Whiffin family on this good news. Of course Mrs Williams is due to go off on maternity leave shortly after half term and we would like to send her off with our best wishes.

Supercoach

Just to keep parents informed, there has been a slight delay in the start date for our Supercoach that I talked about in the last Newsletter. They will now start towards the end of November. A slight issue with kryptonite or notice periods or something apparently!
