Parent Workshops

Thank you to all the Robins parents who have been able to attend the stay and play workshops over the last couple of weeks. I have received some great feedback about how useful parents have found this. We have plans for a parent workshop for the other classes (Y1-Y6) on Tuesday November 21st. This will be based around phonics and spellings. Mrs Armstrong will do a presentation in the hall from 9-9:30am then parents can visit the classrooms to join the children for some spelling and phonics activities until 10:30am. If parents feel there is an aspect of school and their child's learning they want to find out more about then do make suggestions and we will see what we can do.

Messages from your PTA

Christmas Fayre – Friday 8th December 2017

Planning for our Christmas Fayre is now well underway. We are currently looking for help in a couple of specific areas...

Firstly, we are looking for face painters to help us to run a stall on the night. If you are able to spare some time, please get in touch.

Secondly, we are trying to develop links with local retailers who may be able to support us with future fundraising events, including the Christmas Fayre. If you work for a company, or know anybody with a contact, please let us know.

Committee Members 2017-18

Following the AGM earlier this term, all of the current committee members were re-elected. If you would like to get in touch with one of us, please see below for our names and classes.

Emma – Chair (Owls)

Aaron – Vice Chair (Swans)

Becky – Treasurer (Robins and Owls)

Dalma – Facebook Administrator (Swans and Owls)

Lisa – Member (Swans)

Vikki – Member (Swans)

Asda Green Token Scheme

We are delighted to let you know that we were the winners of the recent green token campaign at Asda Ventura. This means Asda will be donating £500 to the school. A huge thank you to everybody who supported the scheme.
