Autumn Term Newsletter

Fighting the fires of our future

Welcome Back!

The distant memory of the summer of sunshine is setting behind as we embark on another fun-filled frolic on the good ship Manor Primary. Any pain staff might feel at the shock of a new routine of early getups and long days is obliterated by the fabulous way the children have come back to school. There have been very few tears and the children haven't cried much either! It is obvious to staff that many children have kept up with their reading and some have practised their writing and maths as well as having a well-deserved rest over the summer. The new children who have joined us have been brilliant and have settled like ducks to water, even after realising that, having been to school, they have to come back the next day as well! A great start by all.
