MANOR PRIMARY SCHOOL
Autumn Term Newsletter

Welcome Back!

The first week of the new school year is over already and the routines are already smoothly established. The new initiatives such as 'Good to be Green' and Accelerated Reader have been introduced to the children and new children in Robins have realised that you keep having to come back to school each day! There are of course some small teething problems with new systems such as the online testing of children's reading and the choice of books available for the level they come out at. If there are any issues then do please speak to the teachers who will use professional judgement to help children select appropriate books. We soon hope to have the children in the routine of choosing books and accessing the online quiz about the book they have read and building up points.

Dates for your diary

Monday September 11 th	Manor Ducklings start
Wednesday September 13 th	Ukelele starts Multi-sports club for Swans starts after school

Monday December 18 th	9:30am - Swans Christmas Performance
Tuesday December 19 th	2pm - Carol Service in church (to be confirmed)* Break up for Christmas

Mary's Meals

Just a reminder that we are collecting old uniform, back packs, stationery, new wash cloths, tooth brushes etc. for the 'Back Pack Appeal' to send to children who need help accessing an education in areas of deprivation around the world. If you have any of these items then please bring them in to add to our contribution. They will be collected in the next week or so.

Ducklings Nursery Places

We have places available for Ducklings in the afternoons. If you know someone who might be interested in using part of their 30 hours free child care then point them our way. If we have enough interest we can also extend the time by 30 minutes to match the Robins finishing time.
