Owls:

Eden, Oliver M and Matthew D

Penguins:

Luca, Hollie B, Oliver G and All of Penguins

Lunch time:

Abi, Grace, Chloe E and Oliver M

Headteacher:

Roman and Georgina

Reading Rewards

Reading for many people is its own reward but some need a little bit of encouragement to help them get going. This week we handed out certificates, pencils and stickers to over 30% of the school who completed the challenge set by Miss Jarrett to read their book every day for two weeks. It was great to see how many children completed the challenge with support from home. Keep it up!

Passionate about our Projects

Standing on the gate in the mornings I have watched a steady stream of Tudor houses and Viking longboats come past carried by proud children. Thank you for all your support for these projects that I know you work hard on with your children at home. The results are stunning and I know the Penguins are looking forward to showing off all their hard work on their Tudor day next week.

Attendance Achievement

Well done to the lucky children who have avoided all the bugs and sniffles going round at the moment. At Manor we aim for 96% attendance over the year as a school and last year we were just over that. This year so far we have just dipped below at 95.99% for the first time. I'm sure after a break we will have stopped sharing our bugs round in school and will come back able to lift that attendance back over 96% once more.

Governors

Governors have been invited to join us in school for lunch on Friday and then for the Carol Service. If your child has a question for them or would like to tell them about our school then this would be a great opportunity.
