

MANOR PRIMARY SCHOOL

Autumn Term Newsletter

Stars of the Week!

(since the last news letter)

Robins:

Isobel and Finley

Swans:

Hollie and Hanna

Owls:

Whole class

Penguins:

Abi and Georgina

Lunch time:

Rhys L and Harvey

Headteacher:

Phoebe

Winter PE kits

Now the dark nights and cold days are with us children need to have suitable PE kits in school for the conditions. Most children are already organised, but just to clarify, we would like children to have shorts and a T-shirt for indoor PE and a sweatshirt and jogging bottoms to put on top for outdoor. Footwear can be trainers or pumps. Trainers are probably better for outdoors in the winter, particularly for KS2 children as they tend to be stronger and have more grip if the ground is wet.

Morrisons vouchers

Morrisons have stopped handing out their 'Let's Grow' vouchers now so if you have any hidden away at home please bring them in as soon as possible as we will be counting up and spending the vouchers shortly.

Coughs, Colds and Medicines

Remember that any medicines that children need to take in school time need to be handed in at the office and permission forms signed for self-administration. This includes prescription and non-prescription items such as cough sweets. If in doubt please check with the office.

Staffing

This week we welcome back Mr Parkinson, who is an associate teacher from Wolverhampton University who will be based in Penguins working alongside Mrs Jarrett for the next five weeks. We also have Mrs Hughes who has now started as a teaching assistant in Robins class. I'm sure you will all make them feel very welcome.

Christmas Fair and Shovels in the Rain

The Christmas Fair is on Wednesday 9th December straight after school. PTFA could really do with your help. They are meeting from 2pm on Wednesday 26th November in school. If you could pop in to school before picking up your children and offer any of your time I know they would really appreciate it. They are only a small group and for large events they need everyone to pull together... which is what about 10 parents did for us last Saturday. They turned up with wheelbarrows and shovels and cleared the top layer of old bark off the adventure playground area on the field, saving us a large chunk of money that can be spent on the new equipment. Thank you all... I hope you have just about dried out now!
