### Farewell Miss Burrows

Miss Burrows is sadly leaving us this week. She has worked with many of the children in school in her time with us and we have appreciated the care and hard work she has put in for your children during her time here. We are still in the process of appointing her successor but the space in Robins class will be filled temporarily by Miss Arif, a qualified Teaching Assistant, who will join us from Monday.

### Lost Property

We have had a really good sort out of lost property recently. It is amazing how much we collect that doesn't have names in. I know the vast majority of you have named your children's clothing but please could you have another check to make sure it is still clearly visible and hasn't washed out.

### Christmas Cards

I know it is very early but I know how organised some of you are! The PTFA are helping to organise the children to design their own Christmas cards that will be professionally produced and made available for you to buy this year... so please bear this in mind when buying your own cards

### Governors

Our dedicated band of governors who are responsible for challenging and supporting Manor Primary School to make sure we provide a safe, caring and effective education have been working extremely hard over the past month with training sessions on top of their normal meetings. This has been extremely productive and governors now have their own development plan and a better understanding of their strategic role in helping to steer the school. Part of that plan was to improve their communication with parents.... So from now on, each newsletter will have a contact email address for Mr. Tim Evers, a parent governor who has volunteered to be a link for parents.

#### Parent Link Governor:

Mr Tim Evers

#### Email:

tevers@nbacademy.org.uk

Your first point of contact should still be with your class teacher and with me, but if you have something you wish to bring to the notice of governors then Tim would be happy to hear from you... positives as well as points for us to improve.
