### Democracy in practice at Manor

Children in each class have been voting recently for their peers in a couple of very important elections. The children are all divided into houses and Year 5 and 6 who wanted to have stood up in front of the school in assembly and given a brief speech to persuade the children to vote for them. All those who stood gave a brilliant account of themselves and could teach the American presidential candidates a thing or two about integrity and running a positive campaign! The children then voted for the following:

**Dudley:** Captain - James, Vice-Captain - Eden

**Bassett:** Captain - Brooke, Vice-Captain - Harry

**Bryan:** Captain - Lexi, Vice-Captain - Darcie

**Peel:** Captain - Faith, Vice-Captain - Lucy-May

Congratulations to all!

Children have also chosen their school council representatives. They are:

**Reception** (to be rotated between the children) Amelie to start

**Year 1:** Ellie      **Year 2:** Finley      **Year 3:** Riley and Laura

**Year 4:** Lexi-May and Roman      **Year 5:** Harrison and Eden

**Year 6:** Freya, Mathew and James

School council meet regularly to discuss school issues and to give the pupils a voice in the running of the school.

### Names in clothes

Can I ask please that you have another check that names are still in the children's clothes. We are finding that there are items of lost clothing building up that haven't got names in anymore, whether through washing out writing or labels falling out. On that point, we will have a lost property display for parents to pick up anything they recognise on Thursday this week.

### Jewellery

Please can I remind you that children shouldn't be coming to school with nail varnish, make-up or any jewellery other than a watch or stud sized earrings. These need to be removed for PE. If parents are planning to have their child's ears pierced, please consider having them done at the beginning of the summer holidays so they can be removed easily when they come back to school.
