Super Start

Another fabulous start to the school year at Manor Primary School! The children have settled into their new classes and new routines very smoothly and are already producing work of an excellent standard. Well done all and thank you for your support in making school such a positive experience for your children.

After School Clubs

We are currently offering Multi-sports for Swans on a Monday, dance for Owls and Penguins on a Wednesday and Football for Owls and Penguins on a Thursday. We will try to vary the clubs on offer through the year so each year group gets the opportunity to try a different type of club. It's not too late to join some of these clubs as there are spaces available; just ask at the office.
