### Adventure Trail

The PTFA would like to announce that, after a prolonged period of intensive fundraising, we are able to place the order for a new adventure trail for the field. With a small top up from school funds we are going ahead with a wooden balance and agility trail with a bonded soft surface that won't wash away as the bark did before. PTFA are also providing some funds to reduce the cost to parents of the school visit to the pantomime at Christmas.

### PTFA AGM

Having seen what the PTFA have been able to do above why not come along and help out and have a say over what the next target is for fundraising and social events. The last meeting only had 4 parents, several of whom have children who are leaving us for high school soon. We need new members who are willing to support the committee and help out occasionally. The perfect opportunity is the Annual General Meeting on October 9<sup>th</sup> at 2.30 in school before you pick the children up.

### E-safety and scams

We have recently had it brought to our attention that there was a scam in the area where people are being phoned by someone claiming to be from Microsoft and asking people to access a website on their computer to 'fix' a problem. As adults we are usually wise to such things but it might be a chance to re-enforce with your children some of the key e-safety messages such as never give personal details online such as name and address.

An excellent website (linked from our school website) is the Thinkuknow site:

### School Website

If you lose your newsletter then just go on the school website and the letters for the past year should be there under the 'parents' section.
