

MANOR PRIMARY SCHOOL

Autumn Term Newsletter

Timetables and curriculum overviews

Please note:
Star of the Week assemblies will be 2:45 on Friday afternoons this term as Owls have swimming on a Friday morning.

You should be receiving a class timetable and a curriculum overview for your child's class by email soon. (Timetable for Robins to follow when their day becomes more structured.) The timetable gives a broad idea of how the school day is organised and when things like swimming or PE are. It is often subject to change as teachers adapt to the children's needs but the balance of subjects across the week should remain the same. The curriculum overview gives you an idea of the areas covered in each of those subjects and gives ideas of how you might be able to support your child at home. We hope you find them useful and informative. If there is any other information you would like us to provide for you then feel free to ask.

No Nuts!

Please remember that we are a '**No Nuts**' school. We have two children with **severe nut allergies** who react to the slightest trace of nuts, especially peanuts. Please do not send any food in to school that contains nuts. Thank you for your support.

Roald Dahl Day

Next Tuesday 13th September it is 100 years since, many people's favourite children's author, Roald Dahl was born. Children (and staff) can dress as a Roald Dahl character or all in yellow (his favourite colour). [Click here](#) for some great ideas for costumes. The children will be doing activities linked to the great man's stories throughout the day. Unfortunately I am out at a meeting that day but will of course be dressed as Mrs Trunchbull all day!

Breakfast Club

There are still spaces left in our breakfast club which runs every morning from 8.10am for a weekly fee of £5. Run by Mrs Cooper and Mrs Cowell, two of our lunchtime supervisors, children are offered a drink and some toast before playing some games with their friends in a relaxed atmosphere. They then join the other children on the playground at the start of the school day at 8:40am. New Reception children are welcome to join from the beginning of next week. Nursery children, if we feel they are ready, can join after October half term.

Summer Reading challenge

Well done to the children who have brought in their Summer Reading Challenge certificates from the library. We will present these to children in assembly when we receive them along with a gold headteacher sticker.

After School Clubs

You should have received several letters about dance, sports, musical theatre and maths clubs this week. Do sign up to as many as you can!
