The children had a great time raising money for Sports Relief this afternoon with our Footballathon. For an hour we had a constant game of football that all who wanted to were able to take part in at some point. While this was going on the rest of the school walked or ran laps of the field. Even Robins got involved playing some football on the playground and joining the rest of the school to do some laps of the field. Some very tired children but lots of money raised for an excellent cause. Please collect any money pledged and return it to the school office so we can send it off. Thank you for your support.

Super Swimmers

On that sporting theme, Manor was punching way above our weight at the Tamworth swimming gala finals again last week. Our team of 6 swimmers were pitted against 16 other schools from across Tamworth. We came a very creditable 5th on 50 points. When you compare that with the fact that the 2nd placed school only had 53 points it shows how brilliantly our swimmers did. We won 5 individual races and the medley relay, came second in the front crawl relay and had another second and a third place. What we lacked in quantity of swimmers we certainly made up for in quality. Special mention has to go to Harry and Oliver in Year 6 who were dominant, winning almost everything they entered. They will be missed next year! Well done to all our swimmers.
