Spring Term Newsletter

Football Stars!

Last week it was the turn of the girls to make us proud with their footballing skills in a tournament at Longwood. They played brilliantly and improved massively with each game they played. The team was:

Katie, Kate, Millie H, Millie W, Olivia R, Lucy, Abi, Georgina, Luisa, Chloe D and Paige.

Fund Raising Totals

Over the past term we have had several fundraising events for a number of different causes and as usual the Manor families have dug deep and supported each and every one of them. Mrs Everett and Mrs O'Brien have been busy adding up on fingers and toes so we can get the money sent off and let you know what you have achieved.

Jump Rope for Heart, sponsored 'Jump Off' event made **£703.53** for the British Heart Foundation. 5 pupils raised over £50 each and Isabelle E added £12.53 from her own bake sale. Robins, despite being the fewest in number raised the most money of all the classes!

Red Nose Day for **Comic Relief** raised **£273.56**. This was a mixture of non-uniform donations and a sack full of copper coins that made a huge nose in the hall and appeared in the local paper. Poor Mrs. O'Brien and Mrs Everett had to lug it all to the bank too!

The group who held a bake sale for **Just a Drop** made **£54.50** towards providing clean drinking water for communities around the world.

The **PTA Easter disco** including the Easter egg raffle raised an amazing **£241** and thank you to all the children and parents that attended and took part in the Easter hat competition.

The Singing Stars Sharing Concert was fantastic, behaviour was exemplary and the support from families was wonderful! We packed the hall out and the cakes, biscuits and Easter cards were a resounding success. A total of **£110** was raised for **Cancer Research**.

That makes **£1382.59** raised for good causes this term alone. The children can be very proud of all they have achieved to help to improve the world they live in.

Singing Stars

The older children in Singing Stars have been through a rigorous interview process and have been appointed as Peer Mentors to the other children. This means they will support the younger Stars and develop their own leadership skills. The mentors are: **Georgina, Luisa, Neva, Chloe and Olivia**. Well done! **There are still places available for ukulele and singers for next term. Pop in to the office for details.**
