## Super Swimming

The heats for the first round of the Tamworth Schools' Swimming Gala were held this week and our team were all superb. Over 20 schools, big and small, took part over two evenings and the fastest 6 swimmers from each category will go through to a finals evening at the Snowdome in March. We have high hopes that there will be a few swimmers representing Manor in those finals. The team were: Jack Ro, Harry, Oliver W, Roman, Matthew D, James, Neva, Kiera K, Ellie-Mae, Sophia H, Alexia, Kate and Darcie. They were up against the best swimmers in Tamworth and all of them gave an excellent account of themselves.

## Shedloads of help

It always amazes me how kind and supportive our school community can be. Just one example is the help we have had donated recently to sort out our sheds. First of all our governors, Jayne and Jim, came with some of their staff team to remove the old rotten shed from the Robins area. Next, Mrs Whiffin and her dad came on a weekend to clear the area and make it ready for developing. Finally, last week, Poppy's dad, Mr Turley came at the weekend and constructed our new Forest Schools shed. We are very grateful for all of this help which allows us to keep improving the school and spend the tight small school budget we have on the education of the children. Thank you.
