Lunch time:

Deleena, Avelyn, Emily, Alexia, Caleb and Tom M

Headteacher

Luisa, Tom G, Oliver M and Everyone for Ofsted

Parent Link Governor:

Mr Tim Evers

Email:

tevers@nbacademy.org.uk

New ParentPay Coming Soon

You will be pleased to hear that we are entering the 21st Century at Manor soon when we will be introducing ParentPay, the online payment system that allows you to pay for dinners and make choices of menu from the comfort of your own home instead of queueing at the office on a Monday morning. Thank you Mrs Sanders for setting this up for us before you go.

No Nuts Please

We have several children in school who are extremely allergic to nuts. Please could you avoid sending your child with any food or snacks that might contain nuts so we can minimise any risk of cross contamination for those children with allergies. Thank you for your consideration.

48 hour quarantine

Please can I remind parents of the rules about not returning to school for 48 hours after a child has had their last bout of sickness or diarrhoea. There may be some flexibility with the headteacher's permission to reduce that time to 24 hours if the illness was due to a reason that may not be infectious and the child has been perfectly well since. We obviously want to avoid spreading the misery of illness to other people. We will send children home if we have not been consulted in advance in order to protect the health of others.

Jump Rope for Heart

On a rather healthier and more pleasant note... the children completed their Jump Off on 29th January. Each class had a session of skipping showing their skills and making their own hearts healthier while having fun and raising money for the British Heart Foundation. I have heard some great stories such as baking cakes to sell to make some extra money, children who have given their 50p pocket money and others who have raised huge amounts through Dad taking the sponsor forms to work. If you have any more contributions to add please bring them in as soon as possible so we can get them sent away.

Names, Names, Names

Another reminder to please check that labels haven't fallen off or washed out of clothes please. The lost property cupboard is filling up again....Also, could you make sure that any money envelopes, letters or dinner menu choices etc. are labelled with your child's full name and Year group. Mrs Sanders and Mrs O'Brien are very good at working out which child is being referred to but it will be harder for Mrs Everett until she gets to know us all!

Exciting Stuff that we have done!

A busy last couple of weeks have seen Owls behaving beautifully on a visit to Cadbury World; all classes enjoying an African Dance workshop; 'Safer strangers - Safer You' workshop with the Community Wardens from Tamworth for Swans and 'Internet Safety' workshops for Penguins; swimming certificates handed out by Wilnecote High School in assembly for Owls; dinosaur eggs hatching all over school; End of term assessments; Ofsted.....When Year 6 requested a bit of a wind down day for the school in their pyjamas and onesies on Friday we all felt they had deserved it.

Have a great half term!
