New Nursery for Afternoons

After Easter we plan to start to provide afternoons for Nursery children to compliment what we currently offer in the mornings. If successful we plan to carry this on next school year when the 30 hours child care allowance comes out for working parents. There will be more information to follow for Nursery parents, but if you know of people looking for Nursery places for 3 to 4 year olds after Easter or next year do let them know about us.

Polling Station Moved

Following my petitions to the Lichfield District Authority about the use of the school for polling days we have been successful in moving the polling station to elsewhere in the village for future elections. This means that we won't have to close for polling as we have done previously!

HS2

The Parish Council asked if we could let local residents know that a representative of HS2, Tahir Ahmed, will be attending their next meeting. The meeting starts at 7:30pm at The Pavilion, Rectory Close. If you intend to attend please let the parish clerk, Odette Ghent, know on the following email address. parishclerkdbpc@gmail.com so they can gauge numbers.

Forest School

Next half term Owls class will be having a six week block of Forest School with Colin Manning, the Forest School practitioner who worked with Swans last term. Each Friday Year 3 will have half the day and Year 4 the other.

World Book Day

On Thursday 2nd March we will be celebrating World Book Day in school by dressing up as book characters. If you are stuck for ideas, a quick search online will give lots of quick and easy costumes to put together. The day will be spent doing fun activities around books and reading and will end with a book sale in the hall by PTA.

Valentine's Disco Tonight

Don't forget to go to the PTA Valentine's Disco tonight at the Village Club, 6.30-8pm.

Have a lovely half term!
