## Autumn Term Newsletter

### Wonder Wall

#### Robins and Swans

Give at least 6 reasons to smile today.

#### Owls

The clue is:

#### MOON STARER

Rearrange the letters to find the answer.

7 7 7 7=91

Add mathematical symbols to make this correct.

#### Penguins

Create a spelling test for a clever adult.

Where did Google get its name?

Could a man or woman ever run 100m in 5 seconds?

### Parking in the Rain

Not a moan this time but a thank you! Last time we had a wet morning I had to complain about people parking on the yellow lines outside school to drop off children near the gates. This morning there were almost no cars that I saw parking inconsiderately and a procession of safe children under umbrellas walking down from the Village Club car park, leaving the road safe to cross outside the school. Thank you.

### Children's Rights

Towards the end of last term we took part in 'Outright Day' where the children explored some of UNICEF's Convention on the Rights of the Child. This covers over 50 'Articles' from the right to have fun to the right to be listened to and the right to an education. Children in Penguins discussed these then chose the rights they felt were most important to them and wrote to the Parliamentary Under Secretary for Children and Families, Edward Timpson. The children were excited to have now received a reply thanking them for their letters. This work is all part of our aim to become a 'Rights Respecting School'.

### Farewell Mrs Sanders

Yes, it's true, Mrs Sanders has taken the very tough decision to move on after 9 years at Manor Primary. She has decided to take a slightly less pressured part time job at another school so she can spend a little more time with her daughters and her new sewing machine. She will be leaving us at the end of this half term so we are in the process of advertising to replace the unreplaceable! I'm sure you will all want to join us in wishing her all the best for the future.
