Parent Helpers

We are always grateful for any help that parents are able to offer us in school and any new volunteers are always welcome. Probably the most time consuming but valuable and rewarding job is to hear our younger children read. Last term when we focused parent helpers on Year 2 children for a couple of months the reading ages of those children rose dramatically. If you would like to be part of our small band of regular helpers then please do get in touch. Even if you can only pop in for half an hour a day or half a day a fortnight it will all help.

Election Day -School closing

We have been informed that the school is to be used as a polling station again on **Thursday May 5th**. This means that school will be closed on this date. I am appealing against the use of our school on behalf of the governors to see if the WI Hall in the village could be used instead but this is a slow process and is unlikely to change the closure this year so it is best to plan for the children to be at home on that day. I will let you know as soon as Lichfield Council give us their decision.

Clubs

After school clubs have started again this week. We still have some spaces if anyone wants to join. We have Uke Stars on a Monday afternoon and KS1 dodgeball after school, KS2 Dance on a Wednesday and KS2 football on a Thursday. The musical theatre club for Owls on a Thursday is now also available to Year 5 as there are still some spaces.
