Owls:

Phoebe, Henry, Xander and Roman

Penguins:

Eden, Darcie, James and Faith

Lunchtimes:

Oliver M, Sophia L-S, James and Alice

Headteacher:

Sophie and Hollie

Lost Property

Lost property is once again starting to build up in school. We will return anything with names in to children but many items have no name. We will display this on the playground after school on a dry day as soon as possible then anything still unclaimed will be either kept as spares by school or given to charity. Feel free to pop in and ask to look through if you wish. Please have another check through your child's clothes to renew any missing names that may have washed or fallen out. Thank you.

Homework Survey

Thank you for all of the returns from the Parent Forum's Homework Survey that have been handed in so far. If you wish to have your say and have your views considered please return the forms or the online version ([click here](#)) by the end of next week when the replies will be collated and analysed.

After School Clubs

We still have places in our after school clubs listed below. Just pop into the office to join or for more details. Look out for Miss Percival and Mrs Williams' netball club coming soon!

Monday: Dance club (Y4,5,6)

Tuesday: Krafty Kids (Church run craft for KS2)
Archery and Fencing (KS2)

Thursday: Mr Sheldon's Science Club (KS2)
Boccia (Bowling for KS1)

Craft Items Wanted

If you have any spare, unwanted craft items such as cotton for sewing, buttons, balls of wool, felt or other materials that you would be willing to donate we would make good use of them as part of our Design Technology and Art work. I suspect this request originated with Swans and Mrs Armstrong who are making glove puppets and teddy bears at the moment! The designs look fabulous and the sewing skills are starting to build. Thanks to Mrs Brown for her help with this. It wouldn't be possible to have thirty 5-7 year olds sewing without some expert help. Mrs Armstrong is very brave!
