Oliver V, Archie Phoebe, and Ellie Mae

Owls:

Jack Ra, Emily, Matthew W and Sophia

Penguins:

Kate, Mahir, Katie and Ethan

Lunch time:

Katie, Tom R, Neva and Craig

Headteacher

Ethan and Lucy

Trust Student Council

This week Tom and Luisa from Penguins had the responsibility of representing Manor at the Tame Valley Cooperative Learning Trust student council meeting at Wilnecote High School. Year 6 school council reps from each of the Trust schools and two student leaders from the High School met to discuss what projects and activities they would like to organise between the schools. Previous initiatives have included a talent show, balloon launch and sports events. Lots of ideas were suggested and Tom and Luisa came back enthused and excited about the possibilities. They passed that on to the rest of the school in assembly. There will be another meeting soon to decide on and begin to organise the chosen events. Well done Tom and Luisa for being such excellent ambassadors for Manor.

African Drum and Dance

The football fans amongst you may know that the Africa Cup of Nations football tournament kicked off in Equatorial Guinea last week. To celebrate this and to give the children a taste of African culture we have an African Drum and Dance group visiting school on Monday. Children will learn some dances and take part in workshops... so if you hear the sound of drums echoing across Drayton Bassett on Monday you know what it is!

Traffic through the village

Thank you to all of you who contacted us about the traffic diverted through the village last week. We did contact Warwickshire County Council and they agreed to move some of the signs to reduce the amount of traffic using us as a short cut. Thankfully things seem to have gone back to the usual peace and quiet in Drayton Bassett... until those drums start on Monday!

After School Clubs

There are still places available in our Monday clubs for Singing Stars, Ukelele and Football. Return the letters or ask in the office if you are interested
