Parent Forum Formed

On Monday this week the first meeting of the Manor Primary School Parents' and Carers' Council, otherwise known as the parents' forum, was held. I would like to offer a huge thank you to all of the parents who gave up their time to attend and to the brave souls who volunteered to take on the roles of chair (Mrs Bevan) and vice chair (Mrs Morrell). This meeting was mainly about setting up the 'Terms of Reference' or rules that govern how the forum and its members operate including confidentiality and the scope of what could and could not be discussed. We then went on to look at items to be added to the agenda of the next meeting. Minutes from the meetings when they are ready will be made available to parents and will be fed back to governors meetings. Any relevant responses will also be communicated where possible to parents and carers. Hopefully this will be another channel of communication and a way that parents can work in partnership with the school to keep driving for improvement.
