PTA Update

Many thanks to everyone who supported our book sale last week, which raised a total of £53.

Our next event will be an Easter Disco at the Village Club on Friday 7th April, 6:30 - 8:00pm. The children are invited to make their own Easter hat to wear to the disco, and there will be prizes awarded for the most creative entry in each class. Nearer to the time we will be collecting music requests to add to our playlist for the evening, so please ask your child to get thinking about their favourite songs.

Thank you for your ongoing support at all of our events.

Trading Cards

I remember how much I loved collecting my Panini Football stickers back in the 1970's! Now the range of trading cards available is vast but they are still great fun. Unfortunately they can cause occasional problems in school when children change their minds after swapping or cards are bought and sold. I have turned a blind eye so far this year but we have had a couple of issues recently involving cards in school so we have decided to ban them during the school day. I am happy for parents to supervise any swaps on the playground before school in the mornings but the cards need to then go home with parents. Thank you for your support in this.

Uniform Reminders

The children at Manor always look smart thanks to the support of parents for our uniform policy. There are one or two small reminders I would like to make to add the finishing touches.

- Hair that reaches the shoulders should be tied back.
- PE kits are black shorts with a red or white t-shirt and should be in school at all times as PE times can be subject to change depending on timetabling of the hall.
- A sweatshirt and joggers or track suit can be worn for outdoor PE if the teacher judges the weather is cold.
- Long sleeved tops under school t-shirts are not part of the uniform and should not be worn without prior permission.

If you are unsure about any of these issues please do clarify it with a teacher.
