## Solar Eclipse

A fascinating and surreal experience was had by all as we shared in the natural phenomenon of a solar eclipse today. There was some true awe and wonder as the children went out into the gloom and viewed the eclipse through their pinhole cameras. The children who stayed inside were able to model what was happening and watch it on the whiteboard. Thank you to those who joined us for the experience. We are now planning what to do for the next one in 2026!
