Summer Term Newsletter

Lunchtime Supervisor Wanted for September

We have a vacancy opening in September for a lunchtime supervisor post. We will be formally advertising it in the coming weeks but if you are interested and want to know more then do pop in and have a chat and express your interest.

Governor Vacancies

We still have two vacancies on our governing board. One is for a parent governor and the other is for a co-opted governor. If you are interested or know someone who is then pop in and let us know.

Messages from your PTA

Thank you!

The PTA are delighted to let you know the final total income for the financial year 2017 – 18. We had set ourselves an ambitious target of raising £4500, higher than ever before, but with all of your help and support we actually raised £5695! The money donated to school has been used to support the new Accelerated Reader programme. Thank you all so much!

Fairy Cake Friday – Friday 27th April

Please pop to the school hall at the end of the day for a little after school treat. Cakes will be on sale for just 20p each. We hope to see you there.

Film Night Survey

We are currently investigating the possibility of running a film night in May. A survey form will be sent home with your child. We would be grateful if you would return it to school by Friday 27th April, indicating whether or not you would be interested in this event. Many thanks.

Summer Fayre – Saturday 7th July

We will once again be releasing a number of tables for external vendors. If you would like to book a table, please contact a member of the PTA. Tables will be charged at £10 each.

Forest School Volunteers

The final block of this year's Forest School is under way with Year 5 on a Thursday morning meaning that every year group has had a Forest School experience this year. We are as ever reliant on parental volunteer support as we need at least two adults in Forest School at a time for general supervision and health and safety when the children are away from the school building. This will be especially important in the next few weeks as we hope to be able to take the children out of school to some local woodland for their sessions (more on this nearer the time). If we don't have parent volunteers we have to use a trained member of staff who could be better deployed supporting children in class. We have had some brilliant parents who have spent up to 20 winter days in the cold and rain to ensure Forest School could happen so they have done their bit! If you have any Thursday morning available that you could offer us over the next 5 weeks to spend in the 'spring sunshine' supporting Year 5 we would be very grateful.

Sport Relief

The children had good fun playing football and doing laps of the field on Sport Relief day. From the sponsorship we have collected the amazing total of **£617**. Thank you for your huge generosity for this good cause. If you still have money to collect and hand in then you can still bring it in and we will send it off to Sport Relief.

Other Sporting News

Our football team played in the Coton Green FC tournament this week and did themselves proud. They won some, lost some and drew one but most importantly, they kept their heads up, were well behaved and sporting and had fun. A credit to the school. Over the next few weeks we have tag rugby tournaments at Tamworth Rugby Club, a Change4Life sports event and golf and possibly tennis tournaments. This year we have managed to compete in about 20 inter-school events so far and there are more to come. This has meant that practically all those who want to have had the opportunity to represent the school in sport at some point this year whether that is in swimming, basketball, athletics, football, tag rugby or cross-country. Thank you to the staff who have given up their time to take teams and to the parents for providing transport to these events.
