A Message from your PTA

The PTA raises funds through various events for the students and staff at Manor Primary School. From fayres to cake sales and everything in between, Friends of Manor PTA have raised thousands of pounds for the school. The money raised since the group's inception has gone to new playground equipment, iPads, and a variety of other items. For the 2015-2016 school year, the PTA will be focused on raising money to support the Arts, as well as for class trips for our students. Our goal this year is to raise £3500 and we are already off to a good start. Our team, as well as our school, truly appreciate the support of the Manor Primary School community in the success of our events.

Helping Manor Primary School raise money is easy. Our events are well planned, well publicised and accessible to all. In addition, you can help us raise money just by shopping online. Our PTA uses easyfundraising.org.uk where you can utilize the online shopping network of over 2700 retailers. Manor Primary School then benefits by receiving a percentage of your shopping spend and it doesn't cost you a single penny extra. Using the below invitation link, we earn £1 for each person who signs up. If you're buying something, just remember to visit the retailer (such as Amazon, John Lewis, M&S) via easyfundraising.org.uk. Once you've ordered, the retailer makes a donation to your chosen good cause. It's a lovely way to give something back for free! Easyfundraising have already raised over £9million for good causes and Manor Primary School, Drayton Bassett will really benefit from these free donations.

Please join us in raising free donations with [easyfundraising](http://easyfundraising.org.uk).

Dog Pool!

Sorry to have to bring this subject up and I just hope you're not reading this whilst eating! Drayton Bassett Parish Council find that this is their number one (or should that be number 2?) complaint and it is certainly one that affects children walking the pavements and playing at the park. They have teamed up with the school to get the children involved in a poster campaign to encourage all dog walkers to 'pick it up'. All classes have designed and entered posters that will be laminated and displayed around the village. The best posters will be placed on the Parish council Facebook page over this weekend and you will be able to go on and 'like' the best posters. The number of 'likes' will be taken into account in the final judging, and there is a £20 voucher for the best from each class, with the overall winner getting £30. The best posters will then be made into proper signs that will be displayed permanently around the village or be put on banners at the park. There will also be £50 for each class to spend as reward for taking part. I hope you agree this is a worthwhile campaign by the Parish Council and school that educates the children whilst empowering them to address an issue close to their hearts.
