Musical Performances

Music has been one of the areas we have prioritised this year for development and the impact of that has been evident over the last week or two with Owls and Swans performing with other schools at the Coton Centre last Friday. The children had learnt their songs in Swans and worked hard on their musical skills in Owls and were proud to be able to perform these in front of a large audience. We will be continuing this push for musical excellence next year.

Super Sports

Thank you to all the parents and supporters who joined us for Sports Day this week. Despite the heat and dust bowl that was once a green field the children overwhelmingly enjoyed the event. I have had lots of positive feedback from parents about the balance struck between competitiveness and inclusive fun and support for all, which stems from the ethos and values of the school and all the staff, children, parents and governors working together. Thanks to the PTA for supplying drinks and ice lollies and to Mr 'Supercoach' Daniel for leading the organisation. Well done to Peel who now have their green ribbons adorning the trophy for the coming year. Now's the time to start running a few extra laps of the field each morning if you want to win it next year!

Our 'development team' entered a 'B team' football tournament on Thursday and played some excellent football. Mr Culff was proud of their sportsmanship and they managed to win two of their three games but unlike England they were unable to progress past the group stage this time... but our team is looking good for next year!
