Deleena, Oliver
W, Emily, Alexia,
Mathew and
Jacob W

Lunchtimes:

Farah, Tom M
and Isabelle E

Headteacher:

Hanna

Messages from your PTA

Summer Fete

The PTA would like to say a huge thank you to everyone who helped to make the Summer Fete such a great success. We can now confirm that a total of £1662 was taken on the day itself, and in addition to this we have received £950 in sponsorship money from Johnsons Volkswagen, SGS Ashby Ltd and Drayton Bassett Parish Council, for which we are extremely grateful. We are also awaiting the result of a fourth funding application, which could see our income boosted by a further £300.

Well done to all of the children who entered our 'Design a Beach Ball' competition. The entries created a lovely display on the field. We hope the winners enjoy their prizes!

It would not have been possible to run the fete without the help of a number of people, and the PTA would like to say a big thank you to the following parents, family, friends and staff, who kindly gave up their free time to help us; either in preparation for the fete, or on the day itself.

Mrs Haskins

It was lovely to see Manor's very own Uke Stars, and the Danceology pupils perform for us. Thank you for entertaining us all.

We were lucky enough to receive a visit from PCSO Trusler and PC Lewis, who kindly brought along their police vehicle for the children to explore. Thank you so much for fitting us into your busy day.

An extra special mention goes to all of the pupils in Penguins. They were challenged by the PTA to double the £30 budget we gave them for their Enterprise Project. They did not let us down, and returned a fantastic profit of £132 from their stalls. Thank you, and well done to you all!

Freeze Pop Friday Returns!

Our Freeze Pop Fridays have proved to be very popular, so we are squeezing in one more before the end of term. We will once again be selling freeze pops, for 20p each, after school on Friday 14th July. We will also have soft drinks on sale on this date.

Leavers' Disco Friday 21st July 2017

Our final event of the school year will be a disco, to be held at the Village Club, on Friday 21st July, 6:30 - 8:00pm. Entrance is £2 per child. (Please enter via the back door of the club, towards the rear of the car park.) We look forward to seeing you there, as we say goodbye and good luck to the Year 6 pupils.

Asda Green Token Scheme

Our collection box at Ventura should be in place very soon. If you are shopping at Asda, please ask for some tokens to add to our box, which will be in store for the next three months.
