MANOR PRIMARY SCHOOL  
Summer Term Newsletter

### Busy, Busy, Busy

A comment was heard recently along the lines of, "I thought this was a quiet part of the year!" Nothing could be further from the truth. If you have been following our new Facebook page you will have seen a snap shot of some of the things we have been doing this term. You might have seen: smiling faces at the free sailing session put on for our school by Mrs Mason and her sailing club at Blithfield Reservoir; visits to Eddens Wood where Owls made natural sculptures in the style of Andy Goldworthy and Penguins gathered descriptive setting ideas for story writing; proud children having Fathers' Day dinner with their Dads; Sporting endeavours at Rawlett with Year 2 in the Mini-Olympics; Owls and Penguins completing a Triathlon at Burntwood Leisure Centre; Penguins letting their hair down (and up?) with a bounce on the trampolines at Airspace; Swans' visit to Sea Life Centre in Birmingham as part of their Under the Sea topic; our athletics team competing on the track at the athletics stadium against other small Tamworth schools; the nutritionist from Chartwells who ran workshops, assemblies and taster sessions for the children and parents... I could go on!

There is more to come (see dates below) and amongst all of this the teachers have been asked to keep the learning going right into the last week of school. Thank you to all our parents who are as ever very supportive in time and money to allow us to provide many of these opportunities. We know we do ask a lot of you and of our staff but hopefully the children will be enriched by these shared first hand experiences and these will be the things they remember in years to come.

### Dates for your diary
