No Peanuts Please

We have several children in school with nut allergies so can we ask that parents avoid sending any food to school that could contain peanuts in case of cross contamination. Thank you for your help, and sorry for inconvenience.

Transition

This time of year we are starting to think about children moving on to a new class or a new school. On Thursday this week children will be spending the morning with their new classmates and next year's teacher. If you or your child has any concerns about transition then do please come and talk to us and we will see what we can do to help.

PTA Thanks

The PTA would like to send a big thank you to all the parents/guardians /teachers who supported the cake stall we had before half term. We had a fantastic range of cakes that helped us raise £86.60.

Can we also thank all the parents who supported our none-uniform day by bringing in a tombola prize. The prizes will be used in our Summer Fayre on the 4th July.

Fathers' Day Lunch

It was great to see so many Dads taking time out of their busy days to support us and come and eat lunch with the children. I know the children love to see you and share some of their school experience with you. I've never seen so many clean plates!

Forest School Fun Run

Probably the hottest day of the year to run round the field dressed as a tree but we managed with plenty of drinks and shade breaks. The money raised is not finalised yet but there is over £500 towards our forest school resources already in. As ever you have supported the school brilliantly.

Parent Helpers

Following our call to parents to come in and help we have now got several parents who have become regulars. Harry's dad is king of the laminator, Roman's mum has heard lots of readers, Tom and Ella's mum is a veteran helper and Deleena's mum presented a fabulous lesson on Hinduism. Thank you to all of you who help in so many ways, however small it might seem. It helps to create the family feel of our fabulous school.
