

MANOR PRIMARY SCHOOL

Summer Term Newsletter

Stars of the Week

(since the last news letter)

Robins:

Luca, Harvey and Kai

Swans:

Molly and Joshua

Owls:

Ellie and Isabelle

Penguins:

Jack R, Rhys, Deleena, Oliver W, Emily and Alexia

Lunchtimes:

Farrah, Tom M and Isabelle E

Headteacher:

Hanna

Laches Wood

Our Penguins went outward bound last week to Laches Wood Outdoor Education Centre and had a fabulous time. The centre staff couldn't speak highly enough of the children and their behaviour. They were polite and listened well then put everything into the activities, achieving things they hadn't thought possible. Children who started off being worried about crawling under a chair were soon crawling along tunnels in the caving activity. Others who were scared of heights were stepping off high platforms and helping to support their peers do the same. Mr Forman, Mrs Viollet and Mrs Armstrong were all proud of them and they should be very proud of themselves.

Sports News

Year 3/4 tag rugby team came a fabulous second in their tournament at Tamworth Rugby Club last week. Thanks to Mr Culff and Mrs Williams who went with them.

Years 2 and 3 all went to Rawlett to take part in their 'Mini-Olympic' event last week. They had a great time and behaved brilliantly. We are grateful to Rawlett for organising this fun event for us.

Parking

A couple of polite reminders about parking outside school.

1. The yellow lines next to the parking bay outside school are not there to allow quick drop offs. They mean you are not allowed to park. Parking on those yellow lines means cars cannot see children crossing outside school and will cause an accident one day.
2. Thank you to those who have driven a little bit further and walked back to school when there is no safe space to park. Unfortunately some people who have parked round the corner from school have parked on the pavement, forcing some of our mums with push chairs into the road to get past them.

The vast majority of our school community park responsibly for which we are all grateful as it helps to keep our children safe.
