

MANOR PRIMARY SCHOOL

Summer Term Newsletter

Non-uniform Days

Next week on Thursday we have our Forest Schools Sponsored Fun Run when children can dress as forest animals, trees or simply in greens and browns.

Two weeks later on Monday 22nd we have a second non-uniform day organized by our wonderful PTA, when we will ask children to bring a prize for the Tombolla stall at the Summer Fair in exchange for wearing their own choice of clothing.

Be Sun Aware

Well done to all of those who sent their children with sun hats and sun cream on this week now the summer seems to be here. The sun is becoming stronger and we do try to get them outside as much as we can in the dry weather rather than in a hot classroom. Thank you.

Music Man

We have employed Mr Sheldon, a new music teacher, for the rest of this half term. He will teach a music lesson with each class on a Thursday. I know the children enjoyed the lessons yesterday and I was very impressed with the quality of his teaching.

Thinking Skills

Thank you to all who attended the Thinking Skills workshop before half term. I know the children had fun and I suspect many of the adults had fun too. The games were all purchased from the Happy Puzzle Company who have a website where they can be bought if there were any games you thought would be good presents.

Parking

Just a reminder to please park neatly in the club car park in the mornings as there are large spaces left between cars that mean the space is not used efficiently. Thank you.
