Summer Term
Issue 3

09.06.17.

The final half term of the school year is already upon us. The children still have lots of hard work to do to progress their learning but we also have lots of exciting and fun activities to fit in too. I have recently seen Robins busy planting seeds to brighten up their outdoor area, Swans have been visited by some lambs from Sophie's farm, Owls have been making volcanoes that erupted on the field and Penguins are building up to next week's residential visit to Laches Wood Outdoor Education Centre and auditioning for end of year performances. The whole school has Sports Day, Summer Fayre and many other end of year events to look forward to. This is always a hectic time of year but one that the children and staff enjoy.

Staff Change

Our Early Years teacher, Miss Percival has recently accepted a post at another school for September so will be moving on at the end of this year. Miss Percival has been with us for a year and a half and has done a fabulous job in Robins. We wish her well with her new challenges.

We are currently in the midst of the recruitment process which will be completed before the transition days at the end of June. We will then let you and the children know about finalised arrangements for September.

Book Fair

Thank you to all our wonderful PTA helpers who have been in to help sell books from the travelling book fair after school this week. We have already sold £367 worth of books with another day to go. Not only do the children benefit from having lovely, exciting new books at home, but we get commission from the sales to buy new books to have in school too.

Laches Wood Photos

Look out for photos of Penguins at Laches Wood next week on the school website '[gallery](#)'. (...as long as the technology works at the centre!)

Parent Forum

The minutes of the previous parents' forum will be sent out with this newsletter. Thank you to Mrs Glover for chairing and completing the minutes and to those who have been able to attend.
