Backpack Project

On Wednesday next week we have invited local Rotary Club member Peter Gee to come in to school to tell us about the 'Mary's Meals Backpack Project'. Mary's Meals provide a simple meal each day for thousands of children in countries such as Malawi to give them the energy for a day of learning; an education that it is hoped can help lift them out of poverty.

Alongside providing food, Mary's Meals are also trying to support these children through providing them with second hand uniform, sandals and flip-flops as well as a backpack or school bag containing equipment such as exercise books, notebooks, pens, pencils, crayons, pencil cases, sharpeners, rulers, a small towel, a new toothbrush and toothpaste, soap and a small tennis ball. This is where the Manor School community come in. We would like to support the appeal by collecting the above items and sending them off to The Rotary Club of Tamworth.

Please have a look at home and see what items you have spare from the list above. After next Wednesday 18th we will send more detail of how we will be collecting it in.

PTA Meeting

Date: Tuesday, May 17, 2016

Time: 7 P.M.

Place: The Hargens' House

We will be making plans for Summer Fayre and setting goals for 2016-2017. All are welcome!

Save the Date!

Leavers' Disco Friday, July 22, 2016
