Ellie-Mae

Places in Nursery for September

We still have some places available in Nursery for September but they are filling up rapidly. If you have a child or know friends or family who are looking for a Nursery place for September then do get in touch with the school office.

After School Clubs

Currently we have Singing Stars, Cup Cake Club and Multi-skills. There are still places available in Singing Stars and multi-skills clubs.

Dinner Payments - Thank You

Mrs Sanders and Mrs O'Brien would like to thank you for your continuing support of the new County dinner payment system of 'Payment in Advance'.

Curriculum Information

You should have received a letter last week with an outline of what your child will be studying over the summer term and a class timetable of the 'normal' week's lessons. The timetable will help you to see when your child has PE so you know when they will need their kit in school. It also shows when core subjects such as literacy and maths are taught. The afternoons are often where the other subjects such as science, geography, history, art, music etc. are taught through our 'connected curriculum' topic based approach. If you have any questions about the information you received then do ask your child's teacher and they will help to explain.

Assistant Headteacher and Headteacher Award

All of Penguins!
