Well Done Year 6!

Year 6 have completed their SATS this week and have done us all proud. Whatever the results turn out to be they have all worked their socks off and done their best. We can't ask any more of them than that. You may have seen them come into school this morning in non-uniform carrying water guns! Today has been a well-deserved rest and relaxation day before they get their work heads back on and keep learning in preparation for their move to high school. The next term is a busy one for all with lots of exciting things happening, many of which are on the dates below, but the main focus will always be on continual improvement in children's learning.

Dates for your diary
