Well Done Year 6

Year 6 did us proud last week with their efforts in the SATS tests. Nobody cried, not even Mr Forman! The children have worked hard and whatever the outcome we are proud of them. Unfortunately the idea that they still need to work until the end of the year is starting to dawn on them... though the pressure is off and there are some exciting events coming up shortly such as the residential trip and end of year performance. Well done all of Year 6!

Dates for your diary

Terrific Tennis Team

The 2 girls and 2 boys who were chosen to play in the Year 3/4 tennis tournament at Rawlett this week put on a fabulous show of fair play, passion and persistence to come out second against some pretty hot opposition. The team of Joshua, Jacob, Laura and Hanna had only played a couple of times at most but held their own against some who had obviously had regular coaching. They received a silver medal each and a certificate. Look out Andy Murray!

Horticultural Help Please!

Do we have any keen gardeners with a bit of spare time on their hands out there? We have some nice garden areas and planters around school that staff struggle to find the time to manage. We would love to set up a gardening club for the children either at lunchtime or after school if anyone had the time and knowhow. If you are interested please pop in and have a chat.
