Owen,  
Ethan,  
Mahir,  
Oliver,  
Jack'  
Abi

### Names in Uniform

Thank you for all the time you spend sewing and writing names into uniforms. This is particularly important now we are getting into warmer weather as the children will be keener to discard their jumpers. Names do wash out or fall off so please check **all** items of clothing so we can reduce the mountain of lost property growing ever vaster!

### Parent Pay

Mrs Everett and Mrs O'Brien would like to thank you for the efforts made to get onto Parent Pay and use it. It makes their life so much easier. The next step is to get all parents to use it instead of using the paper menu choices. Even if you don't pay for dinners, it is easier for you and certainly for us if you can go on and select meals online. If you have any problems getting onto the system then please come in and ask. We would be only too happy to help.

### Welcome to Mr Evans

This term we have been joined by Mr Evans who is in the final stages of training to be a teacher. He is working alongside Mrs Newsome and Mrs Denby in Swans class. I know you will make him very welcome.

### Give it Welly!

Robins children would like to have your old wellies please. They are going to be planting seeds and any old wellies you have grown out of and can spare them would be gratefully received. Just hand them over to Miss Rogers on the playground. Thank you.

### Football Fantastic

Well done to all our footballers who have represented our school so brilliantly in various tournaments over the last few weeks. We have had two girls' tournaments, two open tournaments and a Year 5 tournament. The children have all done their best and have played some excellent football in a very sporting manner. We even won a few games along the way! Thank you to all the parents who have supported them and the staff who have given up their time to help out, especially Mrs Viollet (watch out Jose Mourinho)!
