Sainsbury's Vouchers

We are starting to count up the mountains of Sainsbury's vouchers that you have brought in so far. If you have any more at home please bring them in for us to add to the total. The deadline is the end of June. Thank you!

Lateness

As a school we have a great record when it comes to attendance and the vast majority of children are in school bright and early between the gates opening at 8:40am and closing again at 8:50am. However, we have noticed a bit of a trend of a small group of children who are regularly 5 minutes late and come in to school through the main reception door. This can be very disruptive for the child who misses the beginning of a lesson and for the class who have to wait for the late child to be registered and organised by the teacher. This lost learning time for all can add up to a significant amount of time over a year. We understand there may be occasional problems with traffic or unforeseen hold-ups but there is no excuse for regular lateness.

Robins' Outdoor Area

Polite request: Please can parents keep their children out of the Robins' Outdoor Area at the end of school at picking up time. Thank you.

PTA News

SAVE THE DATE!

The PTA presents "The Enchanted Forest" Summer Fair! Saturday July 9th, 2016 3 PM to 6 PM.

PTA Request for Help

If you would like to be involved in the running of the Summer Fair, please get in touch with a member of the PTA committee. (Please ask Mr Robson if you are unsure as to who we are!) We are hoping to allocate hour long slots for helpers during the afternoon, so that everyone also gets to enjoy the fair with their own family. As well as running stalls between 3:00-6:00pm, we would also appreciate help with setting up and clearing away, so any amount of time that you can spare would be greatly appreciated. Thank you.
