Thank you!

Many thanks to everybody who supported our recent Fairy Cake and Freeze Pop Friday sales. The sales raised £63.60. Freeze Pop Friday is due to return on Friday 15th June, but if we get a warm spell before then, we might just squeeze in an extra one!

Film Night – Wednesday 23rd May, 3:30 – 5:45pm

We have received enough interest to go ahead with a film night. Thank you for returning the recent survey forms. We will be running both films (Coco and Captain Underpants), and providing two food options. Booking forms will be sent home shortly.

Summer Fayre – Saturday 7th July, 3:00 – 5:30pm

We are still keen to recruit more helpers to run stalls during our Summer Fayre. Please get in touch if you are able to spare a little of your time. We are also looking for support from local businesses with raffle prizes and donations for our refreshment stall. If you can help, please let us know. Thank you.

Financial Target 2018-19

We will once again be trying our best to raise at least £4500 for the school during the new financial year. Any money donated will be spent on supporting developments in ICT across the school.

Governor Vacancies

We still have two vacancies on our governing board. One is for a parent governor and the other is for a co-opted governor. If you are interested or know someone who is then pop in and let us know.

Online Safety

We are aware that a number of children in school have been playing a game called 'Fortnite: Battle Royale'. There are some concerns expressed about the safety of this game in the following link that explains the nature of the game and any possible risks.

HS2 Survey

Many thanks for returning your surveys about how HS2 might affect you. It will be very helpful in supporting our bid for funding to develop the field area for the children. If there are any surveys still to come in please can we have them as soon as possible so we can put some data together from the results. We intend to start on the 'Daily Mile' shortly. Look out for more information soon.

PE Kits...again!

At the risk of sounding like a nag, please can we have PE kits available in school all week, every week! We have been able to access some expert coaches such as in cricket, golf and volleyball and these might be on days that are different to normal PE days. If children don't have their kit in school they may miss out on these opportunities.
