

MANOR PRIMARY SCHOOL

Spring Term Newsletter

Stars of the Week

(since the last news letter)

Robins:

Sophia S, and William

Swans:

Alfie, Jake B, Olivia and Finley

Owls:

Laura, Poppy and Imogen

Penguins:

Brooke and Deleena

Lunchtimes:

Imogen and Sophia L-S

Headteacher:

Jacob H

Sun Awareness

We have had a taste of the sunshine already but over the next few months the strength of the sun will obviously increase. Please start to think about applying sun protection before school which should last most of the day, and sending children with a sun hat in sunny weather. We will encourage children to drink plenty of water and their drinks bottles will be taken out to be available at break times wherever possible. If children are capable of applying it themselves they may bring sun block but staff will not be able to help them apply it.

Changes to Lunchtimes

Due to the opening of our Governor run afternoon nursery, Manor Ducklings, we have had to make some minor changes to how our lunchtime is organised. Our fabulous, hard working lunchtime team have adapted to the changes and are still able to get the children through our rather compact hall and out to play, then the last few peas and carrots cleaned from the hall floor before the children are back in for assembly. It does mean they may need to direct children to sit at certain tables to help in the organisation and the time children have on the field is slightly reduced but these issues are quickly being ironed out.

You should also be receiving a letter to let you know about an increase in the price of school dinners for KS2. Please let us know if you haven't received it.

Sainsbury's Vouchers

Sainsbury's have now stopped giving out vouchers so if you have any sitting at home, please try to get them in to our collection box in the entrance by the office as soon as possible. We have already surpassed last year's total with over 4000 tokens! We should be able to get some great cooking equipment for use in the classrooms. Thank you for your support.

A Manor Orang-utan... or two!

Thanks to the money raising effort begun by Alexia and supported by many of her friends and the wider school community in buying cakes etc at a bake sale last term, we have managed to raise enough money to sponsor not just one, but two orang-utans through the World Wildlife Fund. We will be introducing them to the children in an assembly shortly... unfortunately not in person! We have enough cheeky monkeys already!
