MANOR PRIMARY SCHOOL
Summer Term Newsletter

Thank you to all who were able to come in to the 'meet the teacher' sessions we held this week. It followed a couple of days when children moved on to their new class with their new teacher for next year which helps the children to get excited about next year and removes much of the anxiety over the summer about coming back to something new. It also allowed teachers to get to know the children so they are able to hit the ground running in September. Hopefully the after school meetings were helpful for parents too, so they can put a name to a face and gather some information about the coming year. For those who were unable to come we will be putting together a small information pack from the teacher's presentations to send out to everyone shortly. As ever, if you wish to speak to a teacher and can't make school times then do get in touch and we can arrange meetings. There will also be a parents' evening early in the Autumn term when you will be able to discuss your child with their new teacher individually.

Dates for your diary

Monday July 4 th	PTA begin craft activities in classes to be completed for summer fair competition
Tuesday July 5 th	Bake off Final at Wilnecote High School 11:45am New to Reception stay to lunch with parents

Local Authority Report

A Staffordshire Local Authority Officer visited us a couple of weeks ago as part of their monitoring of standards in schools across the county. He spent time in lessons and looking through children's books as well as looking at school performance data. He was very pleased overall and wrote:

"The atmosphere around school was calm and the children behaved with respect towards all adults. There was an excellent climate for learning which, given the number of recent staff changes, is a real credit to the school and reflects the positive appointments that have been made to replace well established colleagues."

Children and staff should be very proud!
