Summer Term
Issue 3

05.06.15

Today is World Environment Day and the children have all been looking at different aspects of the environment. The theme was '7 Billion Dreams: 1 World' and beginning to understand how we need to look after the World and its finite resources. They brought together their work in an assembly this afternoon which was fantastic; full of great ideas and thoughtful creativity. The work they have done today is one of the first steps towards setting up a 'Forest School' at Manor. We are aiming to make even more use of our fabulous outdoor space, developing the field and training the staff in delivering the curriculum through the great outdoors.

The Great Manor Bake Off!

On Friday 12th June next week we are holding a baking competition. The winner will go through to represent Manor Primary School at Wilnecote High School on Thursday 2nd July in the final of the TVCLT Bake Off. There will be children from all of the other Trust schools to decide our Tame Valley baking champion. The rules are:

Each entrant (child plus adult) will prepare, bake and decorate 4 to 6 small cakes. The theme for the cakes will be 'Summer'.

The judging criteria will be: Cooperation (child and adult working together); Presentation and Taste.

I have volunteered to help with the judging! Any remaining cakes will be sold after school in the hall. We will send another letter next week but you may wish to practice over the weekend!
