Well done Year 6!

You probably heard the sigh of relief from Penguins on Thursday this week when the final SATS test was completed! Year 6 have been working their socks off all year and Mr Forman and Mrs Viollet have also maintained the high standards, giving them the best preparation possible. There is always a difficult balance to strike between preparing children for tests and not putting too much pressure on them. However much we tell them not to worry the children at Manor always want to give their best and that is certainly what Year 6 have done this week. We can't ask any more than that and we are very proud of them all. They have a well-deserved relaxation day today in Penguins then it is back to work and learning as normal again on Monday.

Dates for your diary

Monday September 5 th	INSET Day for staff
Tuesday September 6 th	Back to school

Sun Aware

We have had a taste of the sunshine already but over the next few months the strength of the sun will obviously increase. Please start to think about applying sun protection before school which should last most of the day, and sending children with a sun hat and water bottle or plastic beaker in sunny weather. If children are capable of applying it themselves they may bring sun cream but staff will not be able to help them apply it.
