Summer is here!

Hard to believe, but we are now well into our summer term. This means I have had a full year in the privileged position as head at Manor and thanks to the support of an excellent staff, governors, parents and of course our brilliant children, the school is still going from strength to strength.

Good luck in the SATS

We are entering a crucial time of year when our Year 6 children will be taking part in their end of Key Stage 2 SATS Tests. We wish them the best of luck, but we know they will all do their best and make us proud. More detail will follow for parents of Year 6 children.

Sun Aware

We have had a taste of the sunshine already but over the next few months the strength of the sun will obviously increase. Please start to think about applying sun protection before school which should last most of the day, and sending children with a sun hat and water bottle or plastic beaker in sunny weather. If children are capable of applying it themselves they may bring sun cream but staff will not be able to help them apply it.
