“A journey of limitless opportunities”

The Tame Valley Cooperative Learning Trust is a group of eight local schools working together to improve the learning of young people across our community and to provide ‘a journey of limitless opportunities’.

We want to encourage our learning community – parents / carers, staff, learners, voluntary organisations, businesses, the local community – to share in this journey, to become members and play an active role in the Trust. This letter provides the opportunity to join us.

The eight schools in the Tame Valley Cooperative Learning Trust are:-

- ✚ Dosthill Primary
- ✚ Heathfields Infants
- ✚ Longwood Primary
- ✚ Manor Primary
- ✚ Stoneydelph Primary
- ✚ Thomas Barnes Primary
- ✚ Wilnecote High
- ✚ Wilnecote Junior

The aims of the Trust are to:-

- ✚ Improve outcomes for all young people in our community
- ✚ Achieve more by working together rather than individually
- ✚ Establish long-term and sustainable relationships between our schools
- ✚ Involve all stakeholders more fully in the learning of young people

The cooperative values of the Trust include self-help; personal responsibility; democracy; equality; honesty; openness; social responsibility and caring for others.

If you have an interest in any of the schools in the Tame Valley Cooperative Learning Trust and you share our aims and values then we would like you to become a member. Should you wish to join then simply complete the form below and return it to your child’s school. Upon return of this form you will receive a membership card. You will also be informed of future events, meetings and how you can play an active role in the Trust.

If you know anyone else who would be interested in becoming a member then please encourage them to obtain a form from the website of any of the eight schools.

(Becoming a member places no obligations or responsibilities, financial or otherwise, upon you but will allow you to play an active role in the Members Forum that we will be setting up in the near future.)

I wish to become a member of the Tame Valley Cooperative Learning Trust and agree to support its core purpose, aims and values.
